

HID TO LED CROSS REFERENCE

Made in America for America

Established in 1988, LA Lighting designs and manufactures energy efficient, specification grade LED and Fluorescent lighting fixtures for commercial and industrial applications. LA Lighting has a broad range of standard fixtures along with custom capabilities to meet any job requirement and lead time. All of our fixtures are manufactured in El Monte, California.

Fixture mounting height, On-center spacing and other factors will affect the LED lumens needed. Please contact your local LA Lighting representative for further assistance.
