BACKPLATE

11" O/C   13 ½"

• 3/16" MTG. K.O.   ⊕ 7/8" OFFSET K.O.   ⊕ 2" K.O.

SPECIFICATIONS

CONSTRUCTION
• 20 gauge electro-galvanized steel construction
• Neoprene gasketing on rear of housing
• Aluminum heat sink
• Stainless steel fasteners
• Two side knockouts for 1/2" conduit (knockouts on opposite sides of fixture)

FINISH
• Painted after fabrication
• Baked white powder-coated finish
• Minimum reflectance 90%

OPTICAL
• Injection-molded polycarbonate lens

ELECTRICAL
• High-efficiency drivers coupled with long-life LEDs
• Service life tested at 148,000 hours (L70), 42,000 hours (L90)
• Universal voltage 120V through 277V (347V / 480V available)
• Emergency battery pack available

LISTING
• UL USA and Canada listed / suitable for damp locations

WARRANTY
• 5-Year limited warranty standard. 10-Year limited warranty also available

APPLICATIONS
• Canopies, Covered Outdoor Areas, Stairwells, Pedestrian Tunnels

FEATURES
• 0-10V Dimming driver standard
• Wet Location (UL Listed with sprinkler test)
• Supports California Title 24 compliance

OPTIONS
• Sensors and controls
• Custom housing colors
• Tamper-proof screws
• Pendant mounting adapter
• 15" square mounting plate
• Emergency battery pack
• Full 90 Degree Cutoff to prevent light leakage
• Customization available upon request

MADE IN THE USA
BAA Compliant

Revised: 01/23/25

ORDERING INFORMATION
ADDITIONAL OPTIONS AVAILABLE. VISIT WWW.LALIGHTING.COM/RESOURCES FOR MORE INFORMATION

Standard options for BCL100 models shown above. For additional options, including lumen packages, controls, lenses, switches, finishes, and more, visit www.lalighting.com/resources or contact customer service.

SENSORS AND CONTROLS

HIGH FREQUENCY (MICROWAVE) MOTION SENSORS
Detects movement through low density materials, including polycarbonate, acrylic and glass diffusers.

MSH - Microwave Motion Sensor – On/Off
• Turns luminaire on/off in response to motion

MSHSD - Microwave Motion Sensor – High/Low
• Increases/decreases illumination in response to motion

PHOTOCELLS
Senses ambient light levels. Typically used to hold luminaire OFF during daytime hours.

PCS / SH - Photocell Sensor – On/Off with Light Shield
• Turns luminaire on/off in response to ambient light levels
• Includes adjustable Light Shield

WIRELESS CONTROLS

WLC(LEDRU) - EnOcean® LED Relay Zone Controller
• Pre-installed inside luminaire
• Can support a single luminaire or multiple daisy-chained luminaires

Notes
1. MSH and MSHSD sensors are installed behind the fixture lens. The PCS/SH button-style sensor is mounted on the housing. For PIR sensors or other options, contact Customer Service.

2. For microwave motion sensing with photocell, specify both sensors. For example: MSH/ PCS/SH.

MECHANICAL OPTIONS

Pre-installed mechanical options are ordered by adding the suffix to the luminaire description:
Example: BCL100-4-1L-DSA-DRDM-UNV-1/840

SMA - Pendant Mounting Adapter with Safety Cable
- Designed for single point pendant mount applications
- 20 gauge galvanized steel mounting adapter for 3/4" pipe
- Adapter box serves as enclosure for electrical connection to luminaire
- Includes pre-installed safety cable to be attached to building structure

10' Cable Standard
- 100lbs work load
- 500lbs break load

Self-locking device
- Secures free end to ceiling

Pipe by others

Pendant Mounting Adapter

Fixture Housing

TP - Tamper-Proof Screws
- 8x hex pin stainless steel tamper-proof screws

DSA - Full 90 Degree Cutoff
- Full 90 Degree Cutoff prevents light leakage above 90 degrees from ground
- Ideal for use in sites close to residential areas and other light-sensitive locations
- 20 gauge electro-galvanized steel construction, welded to housing
- May restrict field of view of microwave sensors

MOUNTING HARDWARE

Mounting accessories are ordered separately from luminaire

MP1515 - Mounting Plate
Item Number: 650340
- Optional 15" x 15" mounting plate to cover holes or damage to ceiling
- 18 gauge electrogalvanized steel
- Includes all necessary hardware to attach luminaire to mounting plate

15"
11 ½" O/C

6" x 6" Square Opening

15"
11 ½" O/C

1/8" Mounting Hole

NOTE:
System data as of 3/29/23.
Subject to change without notice.

System data is based on 120V input voltage. Actual performance may differ as a result of end-user environment and application. This fixture has been tested and listed in accordance with UL Standards. L.A. Lighting certifies that it will operate safely when installed properly, and within an ambient temperature range noted in the system data table.

Additional lumen packages and color temperatures available.
