### **Buy American / Buy America Act**

Please be advised that ALL of the products that L.A. Lighting offers for sale comply with the Buy American Act (BAA) and Buy America Act.

Los Angeles Lighting is an American owned and operated manufacturing company. All of our manufacturing operations are located in El Monte, California. We do not import any finished goods for resale. All of the products that we produce are "Made in America for America".

All of the products that we manufacture are designed, developed and manufactured in El Monte, California. 100% of steel used in our products is produced and obtained domestically. We use 100% domestic labor to fabricate the sheet metal and assemble our products in our El Monte manufacturing facility.

Please rest assured that when you specify L.A. Lighting, you are buying American.

William D. Shapiro
